Picking up / Delivery

Buyer is expected to pick up said puppy/dog on scheduled go-home day, when puppies are between 8 and 9 weeks of age. Starting at 9 weeks of age, a daily boarding fee of \$25/day will be charged until he/she is picked up.

If Buyer chooses to have said puppy/dog delivered, Idaho Golden Pups will work together with the Buyer and/or third-party transport service to arrange transport when the puppy is between 8 and 9 weeks of age, depending on availability.

If the Buyer requests delivery after 9 weeks of age, a daily boarding fee of \$25/day will be charged until said puppy/dog is delivered.

If using a third-party transportation service to have said puppy/dog transported, said puppy/dog is no longer under the watchful care of Idaho Golden Pups, therefore Idaho Golden Pups is not held responsible for anything that may happen to said puppy/dog once he/she is handed over to the transportation service personnel.

If said puppy/dog is purchased after 8 weeks of age, the Buyer must wait until payment clears before pick up/delivery of the puppy/dog or pay in cash at pick up.

Please see [Avi Dog's fit for Life program](#) or the exercise printout in your puppy folder for appropriate activities.

Idaho Golden Pups reserves the right to reclaim said puppy/dog with no monetary refund if the Buyer is neglecting to provide said puppy/dog with these requirements.

Buyer agrees if, at any point in said puppy/dog's life, Buyer can no longer keep said puppy/dog, Buyer will return said puppy/dog to Idaho Golden Pups (without monetary refund) or work with Idaho Golden Pups to find said puppy/dog a new home.

If the Buyer sells/re-homes said puppy/dog without contacting Idaho Golden Pups, the Buyer will be charged \$10,000.00 breach of contract fee. Buyer is subject to legal action, and if Em's Goldens must resort to litigation, Buyer agrees to pay all court costs as well.
